Information and Reminders

Riverbank residents receive two automated waste containers: A BLACK can and a GRAY or GREEN can (see below). Containers must be placed out for service NO later than 5:00 AM on the day of collection. BOTH CANS will be picked up EVERY WEEK, BY THE SAME TRUCK. DO NOT OVERFILL CONTAINERS. Lids must close completely. Cans serviced in the front of the home should be placed on the street surface (not on the sidewalk) and away from vehicles. Cans should be placed so that the lid opening faces the street or alley.
