CITY OF RIVERBANK NOTICE OF PUBLIC HEARING

General Plan Amendment

Notice is hereby given that the City of Riverbank Planning Commission will conduct a public hearing to consider public comments related to the General Plan Amendment to modify Table CIRC-2 of the Riverbank Circulation Element, described below at 6:00 p.m. on Tuesday, August 16, 2016, in Council Chambers 6707 Third Street, Riverbank, California.

PROJECT DESCRIPTION:

City initiated General Plan Amendment: This project involves a General Plan Amendment to modify the typical street design by classification and type illustrated in Table CIRC-2 of the Riverbank 2005-2025 General Plan Circulation Element. The existing Table CIRC-2 is confusing in many ways. The existing table suggests the creation of right of way width dedications which do not appear to be realistic and the creation of drainage swales behind sidewalks away from the street sections. The proposed new Table CIR-2 is in keeping with current and projected right of way demands as well as the obligations for properly treating storm water run-off through roadside drainage swales and treatment devices.

The City of Riverbank will hold a Public Hearing as follows:
