

Christmas Tree Collection Program Dates and Information

Gilton Solid Waste Management will be doing curbside collection of Christmas trees after the holiday. Tree collection will be during the first two FULL weeks in January starting on Monday, January 6th and ending on Friday, January 17th, 2020.

- Trees will be collected on customer's GARBAGE collection day.
- Trees need to be in front of the house (even if you have alley service).
- Trees need to have all metal stands, lights and ornaments removed.
- Trees should be placed on the street surface next to the curb, but a minimum of 6 feet away from cars or refuse cans.
- Treated trees (flocking, paint, fireproof), it is preferred that they be cut up and put into refuse can, however this is not absolutely required.

For any questions, please contact Development Services at 209.863.7127 or Gilton Solid Waste Management at 209.527.3781.

Thank you and Merry Christmas and Happy Holidays!
