## HOMEBUYER PROGRAM GUIDELINES

### 1.0. GENERAL

The above. named entity, hereinafter referred to as the %Sponsor+has entered into a contractual relationship with the California Department of Housing and Community Development (%HCD+) to administer one or more HCD-funded homebuyer programs. The homebuyer program described herein (the %Program+) is designed to provide assistance to eligible homebuyers in purchasing homes, also referred to herein as %housing units+, located within the Program's eligible area, as described in Section 2.1. The Program provides this assistance in the form of a deferred payment %silent+second priority loan as %Gap+financing toward the purchase price and closing costs of affordable housing units that will be occupied by the homebuyers. The Program will be administered by the City of Riverbank Housing Division (the %Program Operator+). (Note: Program Operator may be the Sponsor, or may be a named contractor, consultant, or sub-recipient that has been approved by the Sponsor.).

### 1.1. PROGRAM OUTREACH AND MARKETING

All outreach efforts will be done in accordance with state and federal fair lending regulations to assure nondiscriminatory treatment, outreach and access to the Program. No person shall, on the grounds of age, ancestry, color, creed, physical or mental disability or handicap, marital or familial status, medical condition, national origin, race, religion, gender or sexual orientation be excluded, denied benefits or subjected to discrimination under the Program. The Sponsor will ensure that all persons, including those qualified individuals with handicaps have access to the Program.

- A. The Fair Housing Lender logo will be placed on all outreach materials. Fair housing marketing actions will be based upon a characteristic analysis comparison (census data may be used) of the Program's eligible area compared to the ethnicity of the population served by the Program (includes, separately, all applications given out and those receiving assistance) and an explanation of any underserved segments of the population. This information is used to show that protected classes (age, gender, ethnicity, race, and disability) are not being excluded from the Program. (For HOME, the Sponsor shall develop a Fair Housing Marketing Plan prior to project set up). Flyers or other outreach materials in English, and any other language that is the primary language of a significant portion of the area residents, will be widely distributed in the Program-eligible area and will be provided to any local social service agencies. The Program may sponsor homebuyer classes to help educate homebuyers about the home buying process and future responsibilities. Persons who have participated in local homebuyer seminars will be notified about the Program.
- B. The Program Operator will work closely with local real estate agents and primary lenders to explain the Program requirements for eligible housing units and homebuyers, and to review Program processes. Local real estate agents and primary lenders will also be encouraged to have their customers participate in the Program.

- C. Section 504 of the Rehabilitation Act of 1973 prohibits the exclusion of an otherwise qualified individual, solely by reason of disability, from participation under any program receiving Federal funds. The Program Sponsor should take appropriate steps to ensure effective communication with disabled housing applicants, residents and members of the public.

## **1.2. APPLICATION PROCESS AND SELECTION**

- A. The Sponsor maintains an interest list of applicants. Each applicant is asked to complete an application form, which asks for sufficient information concerning income, employment, and credit history to establish preliminary eligibility for Program participation. Applications are only deemed complete if all information is completed, the application is signed and dated, and a primary lender's pre-qualification letter is attached to the application. Incomplete applications will be returned to the applicant and will not be date/time stamped until complete.
- B. Applicants are invited to a briefing regarding participation in the Program. At the briefing the application is reviewed and an income screening completed for eligibility. If eligible the potential homebuyer is given a Preliminary Eligibility Letter for the Program along with the following forms: Instructions to Home Buyer with checklist of Loan Documents to be submitted, the EPA Booklet (Protect Your Family from Lead in Your Home), Property Disclosure package containing Acquisition Notice to Seller, Seller Certification, attachment (D) Sellers Lead-Based Paint (LBP) Disclosure, attachment (E) LBP Contract Contingency Language, ( , and attachment (F) Disclosures to seller with Voluntary, Arms Length Purchase offer, Complete applications are date and time stamped, therefore, assistance is given on a first-come-first-served basis.
- C. The potential homebuyer application eligibility screening will be valid for 180 days (six months) in order to find a qualified home and begin securing a primary loan for the housing unit. If during the 180-day time frame the potential homebuyer is unable to purchase a home, a renewal application must be completed. Application process will remain available as long as funding is available. Once funding has expired, an interest list will be initiated.

## **1.3. THE HOME PURCHASE PROCESS**

- A. The following is a simplified example of how a primary lender would analyze a homebuyer's finances to determine how much the homebuyer could afford to borrow from the primary lender towards homeownership.

**DEBT SERVICE  
FOR A HOUSEHOLD OF  
FOUR EARNING \$3,700 PER MONTH**

<b>HOUSING PAYMENTS</b>		<b>TOTAL OVERALL PAYMENTS</b>
Principal & Interest Payment	\$ 1,110	\$ 1,280 Housing
Insurance	\$ 50	\$ +300 <u>Other Debt Service</u>
Taxes	\$ <u>120</u>	\$ 1,580 Total Debt Service
Total Housing Expense	\$ 1,280	

(PITI is 35% of \$3,700)  
(Overall debt service per month is 43% of \$3,700)

**OTHER HOUSEHOLD DEBT SERVICE**

Car Payment	\$200
Credit Card Payment	<u>100</u>
Total Other Debt	\$300

A \$1,110 per month loan payment equates  
to borrowing \$219,000 at 4.5% for a 30-year term.

**SUBSIDY CALCULATION  
FOR A FAMILY OF FOUR EARNING \$3,700 PER MONTH**

Purchase Price of Property	\$ 280,000
Less Primary loan amount	\$ 219,000
Less down payment of 1%	<u>\$ 2,800</u>
<b>Equals "GAP"</b>	<b>\$ 58,200</b>
Plus estimated allowable settlement charges	<u>\$10,000</u>
<b>Equals Total Subsidy</b>	<b>\$ 68,200</b>

B. The housing unit selection process will be conducted by the homebuyers. Prior to making an offer to purchase an eligible housing unit (see Section 3.0), homebuyer shall provide seller with a disclosure containing the following provisions: (Depending on the HCD Program)

- 1) Homebuyer has no power of eminent domain and, therefore, will not acquire the property if negotiations fail to result in an amicable agreement;
- 2) Homebuyer's offer is an estimate of the fair market value of the housing unit, to be finally determined by a state licensed appraiser;
- 3) The housing unit will be subject to inspection;

***Note: For CDBG local health and safety standards and for HOME the housing unit must comply with local codes at the time of construction. CalHome has not established conditions of housing units that are to be purchased but has elected to leave this requirement to the***

**Sponsor.**

- 4) All housing units built prior to January 1, 1978 will require a lead paint disclosure to be signed by both the homebuyer and Seller (Attachment F);
  - 5) Since the purchase would be voluntary, the seller would not be eligible for relocation payments or other relocation assistance;
  - 6) The seller understands that the housing unit must be either: currently owner-occupied, newly constructed, a renter purchasing the unit, or vacant for four months (120 days) prior to submission of the purchase offer.
  - 7) If the seller is not provided with a statement of the above six provisions prior to the purchase offer, the seller may withdraw from the agreement after this information is provided.
- C. Applicant submits executed standard form Purchase and Sale agreement, all addendums, and primary lender prequalification letter to Program Operator. The purchase and sale agreement will be contingent on the household and housing unit meeting Program eligibility requirements and receiving Program loan approval. Program Operator verifies applicant eligibility, housing unit, loan eligibility, and amount of assistance to be provided consistent with these guidelines.
- D. Any work to be completed after purchase will be undertaken through the Program's housing rehabilitation program time period of completed will be determined by the Loan Committee at time of loan approval.

***Note: For HOME the housing unit must meet code no later than two years after transfer and be free from health and safety defects prior to initial occupancy. CalHome funds shall only be used for permanent gap financing for a housing unit ready for occupancy with the exception of a primary loan obtained through HUD or USDA, which addresses rehabilitation of the housing unit.***

- E. Program Operator, where Program Operator is not the Sponsor, submits recommendation to the Sponsor for approval or denial, including the reasons for the recommendation. Sponsor determines Applicant's approval or denial and instructs Program Operator to notify Applicant. Program Operator provides written notification to Applicant of approval or denial with reason and, if denied, a copy of the Program's appeal procedures.
- F. When Primary Lender requirements are met Program funds are deposited into escrow with required closing instructions and loan documents.
- G. At the time of escrow closing, the Sponsor shall be named as an additional loss payee on fire, flood, if required, and extended coverage insurance for the length of the loan and in an amount sufficient to cover all encumbrances or full replacement cost of the housing unit. A policy of Title Insurance naming the Sponsor as insured is required. Failure to provide owner occupied hazard insurance will cause the City to enter into the foreclosure process.

#### **1.4. HOMEBUYER COSTS**

- A. Eligible households must document that they have the funds necessary for the

down payment and closing costs as required by the Primary Lender and the Sponsor. The Program's down payment requirement (below) is in place even if the Primary Lender has a lower down payment requirement.

- B. Homebuyer funds shall be used in the following order:
- 1) Down payment . one percent (1%) minimum requirement
  - 2) To the extent possible after satisfying 1), above, appraisal fee; cost of credit report; the loan origination fee; homebuyer's customary portion of the escrow fees; title insurance; and the establishment of impound accounts for property taxes and insurance.
  - 3) After 1) and 2) above are satisfied, any balance of homebuyer funds may be applied either to the purchase price or to reduce the impound account of the primary loan as necessary.
- C. If the items in B.1), above cannot be satisfied with buyer funds, the buyer may use gifted funds from any source other than the seller of the property being purchased to cover the remaining balance. Gift funds must be supported by a notarized gift letter.
- D. Sponsor may not provide more than 50 percent of the down payment required by the primary lender (**CDBG requirement**). Sponsor may provide sufficient assistance, as Program loan principal, to reduce the monthly payments for PITI to an affordable level of household income. The subsidy will write down the cost of the primary lender's loan so that the payments of PITI are within approximately 30 to 45 percent of the gross household income. The Program Operator will determine the level of subsidy and affordability during underwriting of the Program's loan to make sure that it conforms to the requirements of the HCD funding Program.

## 1.5. HOMEBUYER EDUCATION

Buying a home can be one of the most confusing and complicated transactions anyone can make. Providing the future homebuyer with informative homebuyer education training can bring success to the Sponsor, Program Operator, the Program, and most importantly, the homebuyer. It has been documented that first-time homebuyers that have had homebuyer education have the ability to handle problems that occur with homeownership. All Program participants are required to attend a Sponsor-approved homebuyer education class (**a CalHome requirement**). The homebuyer education class may cover such topics as the following: planning and preparing for homeownership; money management; available financing; credit analysis; loan servicing; shopping for a home; loan closing; homeownership responsibilities; and home maintenance.

## 1.6. CONFLICT OF INTEREST REQUIREMENTS

When the Sponsor's program contains Federal funds, the following shall be addressed:

in accordance with title 24, Section 570.611 of the Code of Federal Regulations, no member of the governing body and no official, employee or agent of the local government, nor any other person who exercises policy or decision-making responsibilities (including members of the loan committee and officers, employees, and agents of the loan committee, the administrative agent, contractors and similar agencies) in connection with the planning and implementation of the Program shall directly or indirectly be eligible for this Program. Exceptions to this policy can be made only after public disclosure and formal approval by the governing body of the locality.

## 1.7. NON-DISCRIMINATION REQUIREMENTS

The Program will be implemented in ways consistent with the Sponsor's commitment to non-discrimination. No person shall be excluded from participation in, denied the benefit of, or be subject to discrimination under any program or activity funded in whole or in part with State funds on the basis of his or her religion or religious affiliation, age, race, color, creed, gender, sexual orientation, marital status, familial status (children), physical or mental disability, national origin, or ancestry, or other arbitrary cause.

## 2.0 APPLICANT QUALIFICATIONS

### 2.1. CURRENT INCOME LIMITS FOR THE AREA, BY HOUSEHOLD SIZE

All applicants must certify that they meet the household income eligibility requirements for the applicable HCD program(s) and have their household income documented. The income limits in place at the time of loan approval will apply when determining applicant income eligibility. All applicants must have incomes at or below 80% of the County's area median income (AMI), adjusted for household size, as published by HCD each year.

Income Limits will be updated annually upon issuance of annual Income Limits by the funding source. \*Sponsor will insert the limits for the county in which the Program is located, and will update the income limits annually as HCD provides new information. The link to the official, HCD-maintained, income limits is: [http://www.hcd.ca.gov/grants-funding/income\\_limits/state-and-federal-income-limits.shtml](http://www.hcd.ca.gov/grants-funding/income_limits/state-and-federal-income-limits.shtml)

**Household:** means one or more persons who will occupy a housing unit.

**Annual Income:** Generally, the gross amount of income of all adult household members that is anticipated to be received during the upcoming 12-month period, and/or Net income of self-employed business supported by a Profit and Loss document prepared by a CPA and/or certified tax preparer.

### 2.2. INCOME QUALIFICATION CRITERIA

Projected annual gross income of the applicant's household will be used to determine whether they are above or below the published HCD income limits. Income qualification criteria, as shown in the most recent HCD program-specific guidance, will be followed to

independently determine and certify the household's annual gross income. The Program Operator should compare this annual gross income to the income the Primary Lender used when qualifying the household. The Primary Lender is usually underwriting to FHA or conventional guidelines and may not calculate the household income or assets in the same way as required by the Program. Income will be verified by reviewing and documenting tax returns, copies of wage receipts, subsidy checks, bank statements, and third party Verification of Employment forms sent to employers. All documentation shall be dated within six months prior to loan closing and kept in the applicant file and held in strict confidence.

A. HOUSEHOLD INCOME DEFINITION:

Household income is the annual gross income of all adult household members that is projected to be received during the upcoming 12-month period, and will be used to determine program eligibility. For those types of income counted, gross amounts (before any deductions have been taken) are used, and the types of income that are not considered would be income of minors or live-in aides. Certain other household members living apart from the household also require special consideration. The household's projected ability to pay must be used, rather than past earnings, when calculating income. The link to Annual Income Inclusions and Exclusions

is: <http://www.hud.gov/grants-funding/income-limits/income-calculation-and-determination-guides.shtml>

**See Attachment A: Annual Income Inclusions and Exclusions**

B. ASSETS:

There is no asset limitation for participation in the Program. Income from assets is, however, recognized as part of annual income under the Part 5 Assets definition. An asset is a cash or non-cash item that can be converted to cash. The value of necessary items, such as furniture and automobiles, are not included.

***(Note: it is the income earned – e.g. interest on a savings account – not the asset value, which is counted in annual income.)***

An asset's cash value is the market value less reasonable expenses required to convert the asset to cash, including: Penalties or fees for converting financial holdings and costs for selling real property. The cash value (rather than the market value) of an item is counted as an asset. The Link to Asset Inclusions and Exclusions is: <http://www.hud.gov/grants-funding/income-limits/income-calculation-and-determination-guides.shtml>

**See Attachment B: Annual Income Assets Inclusions and Exclusions**

**2.3. DEFINITIONS OF AN ELIGIBLE HOMEBUYER**

A. An eligible homebuyer means an individual or individuals or an individual and his or her spouse who meets the income eligibility requirements and is/are not

currently on title to real property. Persons may be on title of a manufactured home unit, who are planning to sell the unit as part of buying a home located on real property. Documentation of homebuyer status will be required for all homebuyers.

***Note: Jurisdictions with CDBG-funded programs may develop their own definitions of an eligible homebuyer, and may choose to assist eligible homebuyers who are not “first-time” homebuyers.***

HOME- and CalHome-funded Programs are required to use the following definition of an eligible homebuyer, which is a %first-time homebuyer+from 8201 (k) Title 25 California Code of Regulations:

B. %First Time Home Buyer+means an individual or individuals or an individual and his or her spouse who have not owned a home during the three-year period before the purchase of a home with subsidy assistance, except that the following individual or individuals may not be excluded from consideration as a first-time homebuyer under this definition:

- 1) A displaced homemaker who, while a homemaker, owned a home with his or her spouse or resided in a home owned by the spouse. A displaced homemaker is an adult who has not, within the preceding two years, worked on a full-time basis as a member of the labor force for a consecutive twelve-month period and who has been unemployed or underemployed, experienced difficulty in obtaining or upgrading employment and worked primarily without remuneration to care for his or her home and family;
- 2) A single parent who, while married, owned a home with his or her spouse or resided in a home owned by the spouse. A single parent is an individual who is unmarried or legally separated from a spouse and has one or more minor children for whom the individual has custody or joint custody or is pregnant; and
- 3) An individual or individuals who owns or owned, as a principal residence during the prior three years before the purchase of a home with assistance, a dwelling unit whose structure is:

Not permanently affixed to a permanent foundation in accordance with local or state regulations; or

### **3.0. HOUSING UNIT ELIGIBILITY**

#### **3.1. LOCATION AND CHARACTERISTICS**

- A. Housing units to be purchased must be located within the eligible area. The eligible area is described as follows: City limits of the City of Riverbank.
- B. Housing unit types eligible for the Homebuyer Assistance Program are new or previously owned, single-family detached houses, halfplex, duplex, condominiums, or manufactured

homes on a single-family lot and placed on a permanent foundation system. HOME does not allow the purchase of manufactured homes unless it is located on a permanent foundation system.

- C. All housing units must be in compliance with State and Local codes and ordinances.
- D. Housing units located within a 100-year flood zone will be required to provide proof of flood insurance in order to close escrow.

### 3.2. CONDITION

- A. Construction Inspection and Determining Need for Repairs.

Once the participating homebuyer has executed a purchase agreement for a housing unit not requiring participation in Sponsor's housing rehabilitation program, and prior to a commitment of Program funds, the following steps must be taken for the housing unit to be eligible for purchase under the Program:

- 1) The Program Operator's building inspector will walk through the housing unit, determine if it is structurally sound and identify any code related and health and safety deficiencies that need to be corrected. A list of code related repair items will be given to the homebuyers and their realtor to be negotiated with the seller.
  - 2) When the Sponsor's Program utilizes Federal funds, and if the housing unit was constructed prior to 1978, then the lead-based paint requirements of Section 3.2.E will apply.
  - 3) A clear pest inspection report will be required for each housing unit.
  - 4) Smoke detectors will be installed if there are none in place.
  - 5) The Program Operator will encourage each homebuyer to secure a homeowner's warranty policy as part of the purchase of a resale housing unit.
  - 6) Upon completion of all work required by the building inspector, a final inspection will be conducted prior to close of escrow. The inspector will sign off on all required construction work assuring that each housing unit receiving Program assistance is in compliance with state and local codes and health and safety requirements at the time of purchase and prior to occupancy.
- B. After a home is purchased using this Program (unless a commitment is made to rehabilitate the home in conjunction with the purchase) such home **shall not** be eligible for the Sponsor's housing rehabilitation program, if any, for the relevant period of affordability. **Note: All three HCD programs allow purchase and rehabilitation concurrently.**

**Note: For HOME-funded programs - during the first year after the rehabilitation project is complete, the Sponsor may commit additional funds to a project. After the first year, no additional HOME funds may be provided during the period of affordability (except a homebuyer may be assisted to acquire a unit previously assisted with HOME funds).**

- C. If the assisted homebuyer is acquiring and rehabilitating a home with Program funds:
- 1) The housing unit must be free from any defects that pose a danger to the health and safety of occupants before occupancy (**and for HOME-funded programs any deficiencies must be corrected no later than six months after the transfer is made to the owner**). The building inspector must inspect the housing unit again at project completion. The housing unit must meet written rehabilitation standards and local codes and ordinances at project completion (**and for HOME within two years of property transfer to the owner**).
  - 2) The Sponsor's Housing Rehabilitation Guidelines will be adhered to.
- D. Housing unit size shall be sufficient to meet the needs of the homebuyer household, without overcrowding. Generally, this means not more than two persons per bedroom or living room.
- E. Lead Based Paint Hazards: All housing units built prior to 1978 for which HOME or CDBG funding is anticipated, are subject to the requirements of this Section 3.2.E. Such homes must undergo a visual assessment by a person who has taken HUD's online Visual Assessment course. Deteriorated paint must be stabilized using work safe methods. Clearance must be obtained after paint stabilization by a DHS certified LBP Risk Assessor/Inspector. (Note: The Sponsor may choose to pick up the cost as an incentive to sellers who might not otherwise sell to a Program participant due to costs and potential delays due to dealing with lead-based paint requirements.) HOME and CDBG general administrative and activity delivery funds may be used to pay for lead-based paint visual assessments, and if lead mitigation and clearance costs are incurred, these programs may incorporate the costs into the calculation of Program assistance.

**(Note: the CDBG Program allows grants for lead hazard evaluation and reduction activities. The HOME Program allows grants for lead hazard evaluation and reduction activities only for acquisition with rehabilitation programs where the proposed paint stabilization measures do not add value to the home, HOME will also allow grants for lead hazard evaluation and reduction activities that do not add value to the home for acquisition-only programs.)**

The following requirements must be met:

- 1) **Notification:** a) Prior to homebuyer's obligation to purchase a pre-1978 home, the Buyer will be given a copy of and asked to read the EPA pamphlet "Protect Your family From Lead in Your Home". (EPA 747-K-94-001, **June 2017**). A signed receipt of the pamphlet will be kept in the Sponsor's homebuyer file; b) A notice to residents is required following a risk assessment/inspection using form DHS 8552, which is provided by the

DHS-certified Risk Assessor/Inspector; c) a notice to residents is required following lead-based paint mitigation work using Visual Assessment and Lead-based Paint Notice of Presumption and Hazard Reduction form, LBP . 1

- 2) **Disclosure:** Prior to the homebuyer's obligation to purchase a pre-1978 housing unit, the HUD disclosure (Attachment D), %Seller's Lead-based Paint Disclosure+notice must be provided by the seller to the homebuyer.
- 3) **Inspections:** The Inspector shall conduct a %Visual Assessment+of all the dwelling units' painted surfaces in order to identify deteriorated paint. All deteriorated paint will be stabilized in accordance with CFR 35.1330 (a) and (b); and a Clearance shall be made in accordance with CFR 35.1340.
- 4) **Mitigation:** If stabilization is required, the contractor performing the mitigation work must use appropriately trained workers. Prior to the contractor starting mitigation work the Program Operator shall obtain copies of the contractor's and workers' appropriate proof of LBP training, as applicable to the job, in order to assure that only qualified contractors and workers are allowed to perform the mitigation.
- 5) **Purchase Contract Contingency Language:** Before a homebuyer is obligated under any contract to purchase a pre-1978 housing unit, the seller shall permit the homebuyer a 10-day period (unless the parties mutually agree, in writing, upon a different period of time) to conduct a risk assessment or inspection for the presence of lead-based paint and/or lead-based paint hazards. (See Attachment E for sample lead-based paint contract contingency language).

A homebuyer may waive the opportunity to conduct the risk assessment or inspection by so indicating in writing, such as in Attachment D, item (e)(ii). In this case the purchase contract contingency language is not required.

- F. The Program Operator will: 1) confirm that the housing unit is within the eligible area, and 2) will review each proposed housing unit to ensure that it meets all eligibility criteria before funding.

### 3.3 ANTI-DISPLACEMENT POLICY AND RELOCATION ASSISTANCE

Eligible homes will be those that are currently owner occupied or have been vacant for four months prior to the acceptance of a contract to purchase. It is not anticipated that the implementation of the Program will result in the displacement of any persons, households, or families. However if tenant occupied homes are included in the Program and relocation becomes necessary, the activity will be carried out in compliance with Sponsor's relocation plan which describes how those permanently displaced will be relocated and paid benefits in accordance with the following Federal laws:

- A. **Uniform Relocation Assistance (URA) and Real Property Acquisition Policies Act of 1970**

The Federal URA and Real Property Acquisition Policies, as amended by the URA Amendments of 1987, contains requirements for carrying out real property acquisition or the displacement of a person, regardless of income status, for a project or program for which HUD financial assistance (including CDBG and HOME) is provided. Requirements governing real property acquisition are described in Chapter VIII, management manual. The implementing regulations, 49 CFR Part 24, require developers and owners to take certain steps in regard to tenants of housing to be acquired, rehabbed, or demolished including tenants who will not be relocated even temporarily.

**B. Section 104(d) of the Housing and Community Development Act of 1974**

Section 104(d) requires each contractor (CHDO or State Recipient), as a condition of receiving assistance under HOME or CDBG, to certify that it is following a residential anti-displacement plan and relocation assistance plan. Section 104(d) also requires relocation benefits to be provided to low-income persons who are physically displaced or economically displaced as the result of a HOME or CDBG assisted project, and requires the replacement of low-income housing which is demolished or converted. The implementing regulations for Section 104(d) can be found in 24 CFR Part 570(a).

**3.4. PROPER NOTIFICATION AND DISCLOSURES**

- A. Upon selection of a housing unit, a qualified seller and homebuyer must be given the necessary disclosures for the Program. The homebuyer must have read and signed all Program disclosure forms. Any and all property disclosures must be reviewed and signed by the homebuyer and seller. **(See Attachments for Sample disclosures.)**
- B. All owners who wish to sell their housing units must receive an acquisition notice prior to submission of the homebuyer's original offer. This notice will be included in the contract and must be signed by all owners on title. The disclosure must contain the items listed in 1.3.B. (Required for federally funded Programs).

**4.0. PURCHASE PRICE LIMITS**

The purchase price limits for this Program, by number of units in the home, are as follows: One-family \$\_\_\_\_\_; Two-family \$\_\_\_\_\_; Three-family \$\_\_\_\_\_; Four-family \$\_\_\_\_\_.

***Note: Sponsor may eliminate multi-unit homes from consideration. For HOME- and CalHome-funded Programs the home purchase price of owner-occupied and homebuyer properties must be limited as follows: For CalHome-funded Programs, the purchase price can not exceed 100% of the area median purchase price as established by comparable sales or information provided by the California Real Estate Association; for HOME-funded Programs the value (with or without rehabilitation) can not exceed 95 percent of the area median purchase price -- see***

**Attachment C. Sponsor may choose to establish lower limits if it sees fit. Sponsor is not required to establish a purchase price limit for solely CDBG-funded Programs.**

**MAXIMUM PURCHASE PRICE / AFTER REHAB VALUE LIMITS** to be the most current limits as issued annual by HCD <http://www.hcd.ca.gov/grants-funding/income-limits/state-and-federal-income-limits.shtml>. \*Sponsor will update these limits annually as HCD provides new information.

## 5.0. THE PRIMARY LOAN

Prior to obtaining a loan from the Sponsor, a homebuyer must provide evidence of financing for the maximum amount the Primary Lender is willing to loan (the %primary loan+).

## 5.1. QUALIFYING RATIOS

Primary loans underwritten by FHA, USDA Rural Development, Fannie Mae, Freddie Mac, or CalHFA will be acceptable to establish creditworthiness, repayment ability, and dependability of income.

**Note: If none of the above primary loans are used, it will be up to the Sponsor to establish the front-and back-end ratios that will be allowable in their program. The ratios are calculated on the borrower's fixed monthly expenses to the household's gross monthly income.**

The front-end ratio shall be between 30% and 35%, and is the percentage of a borrower's gross monthly income (before deductions) that would cover the cost of PITI (loan principal and interest payment + property taxes + property insurance).

**Note: The borrower would qualify if the proposed monthly PITI payment were 35% or less than the borrower's gross monthly income.**

The back-end ratio shall be between 35% and 45% and is the percentage of a borrower's gross monthly income that would cover the cost of PITI plus any other monthly debt payments like car or personal loans and credit card debt.

## 5.2. INTEREST RATE

The primary loan rate of interest shall be fixed (not an adjustable rate mortgage (ARM)) at the current market rate. If %Risk Rates+are applied (an interest rate that reflects the primary lender's loan risk) each loan shall be evaluated by the Sponsor on a case by case basis.

**Note: for HOME-funded programs, , the current market rate must be evidenced by the Effective Rate plus 50 basis points listed in the Federal Housing Finance Board's most recent Monthly Interest Rate Survey for the San Francisco District and no temporary interest rate buy-downs are permitted.**

### 5.3. LOAN TERM

The primary loan shall be fully amortized and have a term all due and payable in no fewer than 30 years. There shall not be a balloon payment due before the maturity date of the Program loan.

### 5.4. IMPOUND ACCOUNT

All households will be required to have impound accounts for the payment of taxes and insurance to ensure they remain current.

### 6.0. THE PROGRAM LOAN

#### 6.1. MAXIMUM AMOUNT OF PROGRAM ASSISTANCE

The amount of Program assistance to a homebuyer toward purchase of a home shall not exceed \$125,000.00. Any approved grant amount for lead-based paint evaluation and mitigation activities or for closing costs shall be included in this amount.

***Note: The CalHome and CDBG Programs do not have a specific subsidy limit, but Sponsor must establish a subsidy limit for the local Program. The following HOME subsidy limits (updated each year by HUD) control the amount of HOME Program assistance that may be provided to a Program homebuyer. The loan amount may be lower than the County's HUD-published limits.***

HOME SUBSIDY LIMITS PER UNIT – SECTION 221(d) (3) can be located at <http://hcd.ca.gov/grants-funding/income-limits/state-and-federal-income-limits.shtml>

Homeowner Maximum Purchase Price/After-Rehabilitation Value Limits can be located at: <http://www.hcd.ca.gov/grants-funding/income-limits/state-and-federal-income-limits.shtml>

#### 6.2. NON-RECURRING CLOSING COSTS

Non-recurring costs such as credit report, escrow, closing and recording fees, title report and title insurance, title updates and/or related costs, may be included in the Program loan.

#### 6.3 AFFORDABILITY PARAMETERS FOR BUYERS

The actual amount of a buyer's Program subsidy shall be computed according to the housing ratio parameters specified in Section 5.1. Each borrower shall receive only the

subsidy needed to allow them to become homeowners (the Gap+) while keeping their housing costs affordable. The primary lender will use the front-end ratio of housing-expense-to-income to determine the amount of the primary loan and, ultimately, the program subsidy amount required, bridging the gap between the purchase price (less down payment) and the amount of the primary loan.

#### **6.4. RATE AND TERMS FOR PROGRAM LOANS**

All Program assistance to individual households shall be made in the form of a deferred payment (loan).

The Program loan term shall be for at least as long as the primary loan which will be limited to 30 year term, fixed interest rate. All Program loan payments shall be deferred because the borrowers will have their repayment ability fully utilized under the primary loan payment. The City loan shall be 3%, simple interest rate. Interest earning shall begin occurring upon signing date of City Loan Deed of Trust.

***The Sponsor may allow forgiveness of all or a portion of the accrued interest as part of a local program design.***

#### **6.5. LOAN-TO-VALUE RATIO**

The loan-to-value ratio, when combined with all other indebtedness to be secured by the property, shall not exceed 100 percent of the sales price plus a maximum of up to 5 percent of the sales price to cover actual closing costs.

#### **7.0. PROGRAM LOAN REPAYMENT**

##### **7.1. PAYMENTS ARE VOLUNTARY**

Borrowers may begin making voluntary payments at any time, upon written notification to and approval of the Sponsor. No prepayment penalties shall be implemented at any time prior to maturity of City loan. All prepayments will be applied to interest earned first then any excess will be applied to principal balance.

##### **7.2. RECEIVING LOAN PAYMENTS**

A. Program loan payments will be made to:

City of Riverbank  
6707 Third Street  
Riverbank, CA 95367

B. The Sponsor will be the receiver of loan payments or recapture funds and will maintain a financial record-keeping system to record payments and file statements on payment status. Payments shall be deposited and accounted for in the

Sponsor's Program Income Account, as required by all three HCD programs. The Program lender will accept loan payments from borrowers prepaying deferred loans, and from borrowers making payments in full upon sale or transfer of the property. All loan payments are payable to the Sponsor. The Sponsor may, at its discretion, enter into an agreement with a third party to collect and distribute payments and/or complete all loan servicing aspects of the Program.

### **7.3. DUE UPON SALE OR TRANSFER**

- A. Loans are due upon sale or transfer of title or when borrower no longer occupies the home as his/her principal residence or upon the loan maturity date. The loan will be in default if the borrower fails to maintain required fire or flood insurance or fails to pay property taxes.
- C. Program loans may or may not be assumable according to the HCD program and the loan documents. Loan Committee will make determination on a one by one basis.

### **7.4. LOAN SERVICING POLICIES AND PROCEDURES**

See Attachment C for Loan Servicing Policies and Procedures. While the attached policy outlines a system that can accommodate a crisis that restricts borrower repayment ability, it should in no way be misunderstood: The loan must be repaid.

All legal means to ensure the repayment of a delinquent loan as outlined in the Loan Servicing Policies and Procedures will be pursued.

### **7.5. LOAN MONITORING PROCEDURES**

Sponsor will monitor Borrowers and their housing units to ensure adherence to Program requirements including, but not limited to, the following:

- A. Owner-occupancy
- B. Property tax payment
- C. Hazard insurance coverage
- D. Good standing on Primary loans
- E. General upkeep of housing units

### **8.0. PROGRAM LOAN PROCESSING AND APPROVAL**

- A. Loan Processing

All homebuyers or their representatives will be sent out an eligibility packet with all the necessary forms, disclosures, information, and application. They should submit a complete application packet with all the Sponsor's Program loan documents executed as well as all the information from the Primary Lender. The Primary Lender should submit:

- accepted property sales contract and addendums with proper seller notification;
- 2) mortgage application with estimated settlement statement and first mortgage disclosures;
- 3) full mortgage credit report and rent verification;
- 4) current third party income verifications and verifications of assets;
- 5) homeownership education certificate

Staff will work with local lenders to ensure qualified participants receive only the benefit from the Sponsor's Program needed to purchase the housing unit and that leveraged funds will be used when possible, for example in many cases the Primary Lender will not require mortgage insurance with the Sponsor's second in place which will save on the homebuyer's monthly payment.

#### B. Credit worthiness

Qualifying ratios are only a rough guideline in determining a potential borrower's credit-worthiness. Many factors such as excellent or poor credit history, amount of down payment, and size of loan will influence the decision to approve or deny a particular loan. The borrower's credit history will be reviewed by the Sponsor and documentation of such maintained in the loan file. The Sponsor may elect to obtain a credit report or rely on a current copy obtained by the primary lender.

#### C. Documents from Primary Lender

After initial review of the qualified homebuyer's application packet, the Program Operator will request any additional documents needed. Documents may be faxed but originals must be received via mail before Program funds are committed to escrow. Based on receipt and review of the final documents, the Program Operator will do an income certification (using most recent HCD program's guidance on income calculation and determination), and homebuyer certification (review of credit report and income taxes). Documentation of affordability will then be verified and subsidy requirement determined.

#### D. Disclosure of Program and Loan Information to Homebuyers

The Program's application and disclosure forms will contain a summary of the loan qualifications of the borrower with and without Program assistance. Housing ratios with and without Program assistance are also outlined in these guidelines. Information on the Program's application will be documented with third party verifications in the file. For example, the sales contract will provide the final purchase price and outline how much of the closing costs are to be paid by the seller, etc. The appraisal, termite, and title report will provide information to substantiate the information in the sales contract and guide the construction inspection. The Program loan application will provide current debt and housing information and will be documented by the credit report and income/asset verifications. The Primary Lender's approval letter and estimated closing cost statement should reflect all the information in the loan package and show any contingencies of loan funding. Reviewing the Primary Lender's loan underwriting documentation will provide basic information about the qualification of the

applicant and substantiate the affordability provided by the Program loan. By reviewing and crosschecking all the Primary Lender information, the final Program loan amount approved will fall within the affordability parameters of the Program.

### **8.1. COMPLETION OF UNDERWRITING AND APPROVAL OF PROGRAM LOAN**

Once the loan approval package has been completed the Program Operator will submit it to the Sponsor's Loan Committee for approval. Sponsor will review the request and may approve it with or without conditions. Upon approval, a final closing date for escrow is set and Program funds are accessed for the homebuyer.

### **8.2. PRIMARY AND PROGRAM LOAN DOCUMENT SIGNING**

The homebuyer(s) sign both promissory notes, deeds of trust, and statutory lending notices (right of rescission, truth in lending, etc.); the Deeds of Trust are recorded with the County Clerk/Recorder at the same time, and the request(s) for copy of notice of default are also recorded with the County Clerk/Recorder.

### **8.3. ESCROW PROCEDURES**

The escrow/title company shall review the escrow instructions provided by the Program lender and shall issue a California Land Title Association (CLTA) and the American Land Title Association (ALTA) after closing. The CLTA policy is issued to the homebuyer and protects them against failure of title based on public records and against such unrecorded risks as forgery of a deed. The ALTA is issued to each lender providing additional coverage for the physical aspects of the property as well as the homebuyer's title failure. These aspects include anything which can be determined only by physical inspection, such as correct survey lines; encroachments; mechanics liens; mining claims and water rights. The Program lender instructs the escrow/title company in the escrow instructions as to what may show on the policy; the amount of insurance on the policy (all liens should be covered) and the loss payee (each lender should be listed as a loss payee and receive an original ALTA).

### **9.0. SUBORDINATE FINANCING**

With today's high costs, in order for a low-income household to obtain a home several funding sources might be required. Subordinate loans may be used to cover mortgage subsidy costs that exceed the Program maximum loan amount. All subordinate liens must have the payments deferred and the term must be for at least as long as the term of the Program loan.

### **10.0. EXCEPTIONS AND SPECIAL CIRCUMSTANCES**

The Sponsor may make amendments to these Participation Guidelines. Any changes shall be made in accordance with regulations and approval by the Sponsor's Loan

Committee and/or governing body. Changes shall then be sent to HCD for approval.

#### **10.1. DEFINITION OF EXCEPTION**

Any case to which a standard policy or procedure, as stated in the guidelines, does not apply or an applicant treated differently from others of the same class would be an exception.

#### **10.2. PROCEDURES FOR EXCEPTIONAL CIRCUMSTANCES**

- A. The Sponsor or its agent may initiate consideration of an exception and prepare a report. This report shall contain a narrative, including the Sponsor's recommended course of action, and any written or verbal information supplied by the applicant.
- B. The Sponsor shall make a determination of the exception based on the recommendation of the Program Operator. The request can be presented to the Sponsor's loan committee and/or governing body for a decision.

#### **11.0. DISPUTE RESOLUTION AND APPEALS PROCEDURE**

Any applicant denied assistance from the Program has the right to appeal. The appeal must be made in writing. Sponsor has 30 days to review the appeal, seek recommendations from the loan committee, or if none, the sponsor's governing body, and respond in writing to the applicant.

## **EXHIBIT D**

### **CITY OF RIVERBANK LOAN SERVICING POLICIES AND PROCEDURES**

The City of Riverbank, here after called "Lender" has adopted these policies and procedures in order to preserve its financial interest in properties whose "Borrowers" have been assisted with public funds. The Lender will go to the greatest extent possible to follow these policies and procedures, but each loan will be evaluated and handled on a case-by-case basis. The Lender has formulated this document to comply with state and federal regulations regarding the use of these public funds and any property restrictions which are associated with them.

The policies and procedures are broken down into the follow areas:

1. Require monthly payments or voluntary payments on a loan's principle and interest.
2. Require payment of insurance and property taxes.
3. Require Request of Notice of Default on all prior mortgages.
4. Require Rent Limitation Agreement and Monitoring of investor properties.
5. Loans with annual occupancy restrictions and certifications.
6. Require noticing and limitations on any changes on title or use of property.
7. Require noticing and process for requesting a subordination during a refinance.
8. Process of foreclosure in case of default on the loan.

#### **1. Loan Repayment:**

The Lender will collect monthly payments from those borrowers who are obligated to do so under an Installment Note, which are amortized promissory notes, (or Lender may use a designated loan collection company of their choice to collect payments.) Late fees may be charged for payments received after the assigned monthly date.

For Straight Notes, which are deferred payment loans; the Lender may accept voluntary payments on the loan. Loan payment will be credited to the accrued interest first and then to principal. The borrower may repay the loan balance at any time with no penalties.

#### **2. Payment of Insurance and Property Taxes:**

As part of keeping the loan from going into default, borrower must maintain property insurance coverage naming the Lender as "Loss Payee" in first or additional insured if the loan is a second mortgage. If borrower fails to maintain the necessary insurance, the Lender may take out forced place insurance to cover the property while the Borrower puts a new insurance policy in place. All costs for installing the necessary insurance will be added to the loan balance at time of installation of Borrower's new insurance.

When a property is located in a 100-year flood plain, the Borrower will be required to carry the necessary flood insurance. A certificate of insurance for flood and for standard property insurance will be required at close of escrow. The Lender will check insurance on an annual basis at maturity of insurance certificate.

Property taxes must be kept current during the term of the loan. The Lender requires Borrower to have impound accounts set up with their first mortgagee wherein they pay their taxes and insurance as part of their monthly mortgage payment.

#### **3. Require Request for Notice of Default:**

When the Lender's loan is in second position (junior loan) behind an existing first mortgage it is the Lender's policy to prepare and record a "Request for Notice of Default" for each senior lien in front of Lender's loan. This document requires any senior lien holder listed in the notice to notify the Lender of

initiation of a foreclosure action. The Lender will then have time to contact the Borrower and assist them in bringing the first loan current. The Lender can also monitor the foreclosure process and go through the necessary analysis to determine if the loan can be made whole or preserved. When the Lender is in a third position and receives notification of foreclosure from only one senior lien holder, it is in their best interest to contact any other senior lien holders regarding the status of their loans.

#### **4. Request Rent Limitation Agreement for Investor Properties:**

All owner investor properties which receive loans from the Lender will be required to enter into a rent limitation agreement which restricts the tenants' and the rents on the property for a fixed period of time, depending on the public funds used. The rent limitation agreement will be recorded on title of the property and non-compliance with this agreement can lead to foreclosure actions by the Lender. The rent limitation agreement will be monitored annually to ensure that low or very low-income households occupy the assisted investor units and that the rents charged to those households are affordable. In some cases the units must be inspected annually to ensure that they are up to minimum health and safety standards. At the end of the designated affordability periods, the Lender will release the Borrower from the rent limitation agreement.

#### **5. Annual Occupancy Restrictions:**

All Borrower's will be required to submit annual proof of occupancy throughout the term of the loan. Documentation submitted must illustrate the resident's name and address. Documents must be within 60 days of current date.

#### **6. Require Noticing and Restrictions on Any Changes of Title or Occupancy:**

In all cases where there is a change in title or transfer of title or occupancy or use, the Borrower must notify the Lender in writing of any change. Lender and borrower will work together to ensure the property is kept in compliance with the original program terms and conditions such that it remains available as an affordable home for low income families. These types of changes are typical when Borrowers do estate planning (adding a relative to title) or if a borrower dies and property is transferred to their heirs or when the property is sold or transferred as part of a business transaction. In some cases the Borrower may improve and turn the property into a rental unit without notifying the Lender. Changes in title or occupancy must be in keeping with the objective of benefit to the Target Income Group (TIG) families.

Change from owner-occupant to owner-occupant occurs at a sale, the loan is not assumable and the loan balance is immediately due and payable. If a transfer of the property occurs through inheritance, the heir (as owner-occupant) may be provided the opportunity to assume the loan at an interest rate based on family size and household income, provided the heir is in the TIG. If the heir intends to occupy the property and is non-TIG, the balance of the loan is due and payable. If the heir intends to act as an owner-investor, the balance of the loan may either be paid in full or converted to an owner/investor interest rate and loan term and a rent limitation agreement is signed and recorded on Title. All such changes are subject to the review and approval of the Lender's Loan Committee.

#### **7. Request for Subordinations:**

When a Borrower wishes to refinance the property, they must submit a subordination request to the Lender. The Lender will only subordinate their loan when there is no "cash out" as part of the refinance. Cash out means there are no additional charges on the refinance transaction amount; therefore, refinance charges will be covered by Borrower. . There can be no third party debt payoffs or additional encumbrance on the property. Furthermore, the refinance should benefit the Borrower with a lower housing cost and/or a lower interest rate. The total indebtedness on the property should not exceed the current market value. Term periods must stay within existing loan periods. Refinance term periods will be review by the Loan Committee on individual basis.

Upon receiving the proper documentation from the refinance agency, the subordination request will be

considered by the loan committee for review and approval. Upon approval, the escrow company will provide the proper subordination document for execution and recordation by the Lender.

#### **8. Process for Loan Foreclosure:**

Upon any condition of loan default by Borrower in the areas of:

- A. Default in payment
- B. Lack of compliance of proof of insurance certificate or payment of property tax payment
- C. Violation of rent limitation agreement
- D. Change in title or use of property without Lender's prior approval
- E. Default on senior loans,

The Lender will send out a letter(s) to the Borrower notifying them of the default situation. If the default situation continues then the Lender may start a formal process of foreclosure.

When a senior lien holder starts a foreclosure process and the Lender is notified via a Request for Notice of Default, the Lender, who is the junior lien holder, may cancel the foreclosure proceedings by "reinstating" the senior lien holder. The reinstatement amount, or payoff amount must be obtained by contacting the senior lien holder. This amount will include all delinquent payment, late charges and fees to date. Lender must confer with Borrower to determine if, upon paying the senior lien holder current, the Borrower can provide future payments. If this is the case then the Lender may cure the foreclosure and add the costs to the balance of the loan with a Notice of Additional Advance on the existing note. If the Lender determines the reinstatement and maintenance of the property not to be cost effective and allows the senior lien holder to complete foreclosure, the Lender's lien may be eliminated due to insufficient sales proceeds.

#### **Senior Lien holder**

When the Lender is in a first position as a senior lien holder, active collection efforts will begin on any loan that is 60 or more days in arrears. Attempts will be made to assist the homeowner in bringing and keeping the loan current. These attempts will be conveyed in an increasingly urgent manner until loan payments have reached 120 days in arrears, at which time the City may consider foreclosure. City staff will consider the following factors before initiating foreclosure:

- Can the loan be cured (brought current or paid off) by the owner without foreclosure?
- Can the rate and term be adjusted to allow for affordable payments such as to avoid foreclosure?
- Can the Borrower refinance with a private lender and pay off the Lender?
- Can the Borrower sell the property and pay off the Lender?
- Does the balance warrant foreclosure? (If the balance is under \$5,000, the expense to foreclose may not be worth pursuing.)
- Will the sales price of home "as is" cover the principal balance owing, necessary advances, (maintain fire insurance, maintain or bring current delinquent property taxes, monthly yard maintenance, periodic inspections of property to prevent vandalism, etc.) foreclosure, and marketing costs?

If the balance is substantial and all of the above factors have been considered, the Lender may opt to initiate foreclosure. The owner must receive, by certified mail, a thirty-day notification of foreclosure initiation. This notification must include the exact amount of funds to be remitted to the Lender to prevent foreclosure (such as, funds to bring a delinquent BMIR current or pay off a DPL).

At the end of thirty days, the Lender should contact a reputable foreclosure service or local title company to prepare and record foreclosure documents and will make all necessary notifications to the owner and junior lien holders. The service will advise the Lender of all required documentation to initiate foreclosure (Note and Deed of Trust usually) and funds required from the owner to cancel foreclosure proceedings. The service will keep the Lender informed of the progress of the foreclosure proceedings.

When the process is completed, and the property has "reverted to the beneficiary" at the foreclosure sale, the Lender could either sell the home themselves under a homebuyer program or could contact a real estate broker to market the home. Proceeds of the sale of property will be used to fund Program Income eligible items.

### Junior Lien holder

It is the Lender's policy to prepare and record a "Request for Notice" on all junior liens (any lien after the first position) placed on properties financed by a loan or loans through publicly funded program(s).

This document requires any senior lien holder to notify the lender (City) of initiation (recording of a "Notice of Default") of a foreclosure only. This is to alert the junior lien holder that they are to monitor the foreclosure with the senior lien holder. When the Lender is in a third position and receives notification of foreclosure from only one senior lien holder, it would be in their best interest to contact both senior lien holders regarding the status of their loans.

The junior lien holder may cancel the foreclosure proceedings by "reinstating" the senior lien holder. The reinstatement amount must be obtained by contacting the senior lien holder. This amount will include all delinquent payments, late charges, advances (fire insurance premiums, property taxes, property protection costs, etc.), and foreclosure costs (fees for legal counsel, recordings, certified mail, etc.)

Once the City has the information on the reinstatement amount, staff must then determine if it is cost effective to protect their position by reinstating the senior lien holder, keeping them current by submitting a monthly payment thereafter, foreclosing on the property possibly resulting in owning the property at the end of foreclosure, protecting the property against vandalism, and paying marketing costs (readying the home for marketing, paying for yard maintenance, paying a real estate broker a sales commission).

If the City decides to reinstate, the senior lien holder will accept the amount to reinstate the loan up until five (5) days prior to the set "foreclosure sale date." This "foreclosure sale date" usually occurs about four (4) to six (6) months from the date of recording of the "Notice of Default." If the City fails to reinstate the senior lien holder before five (5) days prior to the foreclosure sale date, the senior lien holder would then require a full pay off of the balance, plus costs, to cancel foreclosure. If the City determines the reinstatement and maintenance of the property not to be cost effective and allows the senior lien holder to complete foreclosure, the City's lien may be eliminated due to insufficient sales proceeds.
