

ADMINISTRATIVE APPEAL

The purpose of an administrative appeal hearing before the Appeals Board or Appeals Officer is to allow an appellant the opportunity to challenge a citation that was issued by the City for a Code (regulation) violation; to allow the City Staff to respond; and to provide the Board an opportunity to ask questions for clarification and understanding of the facts presented in order to make a sound judgement.

Appeals Board: The Appeals Board is a five (5) member board made up of Citizens of the City of Riverbank who also serve as Planning Commissioners. Board Members are appointed to their seats by the City Council. The Appeals Board strives to provide the public a fair public hearing and decision-making process on the final administrative review for appeals relating to a wide range of City determinations. By State law, a quorum of (3) Members must be present to conduct the hearing(s).

When to File an Appeal Request: A Citation Appeal Request form will only be accepted by the City if it is filed with the City Clerk within fifteen (15) calendar days of the date of the citation. Failure to meet this requirement is considered a surrender of your rights to appeal the citation and therefore stands as issued.

Administrative Processing Fee: A processing fee of \$25 must be paid at the time of filing of the citation appeals request form.
